Only to be used by authorised members of the Association.

The 50 Point Safety Check is not a requirement of Vessel and/or Trailer registration. All observations, assessments and recommendation relate specifically to the time of inspection only. Safety equipment requirements are correct at time of printing, are dependent on the actual location of vessel usage. Safety equipment requirements are subject to change without notice. Detailed safety requirements and exemptions for all vessels, can be found in the current issue of 'Victorian Recreational Boating Safety Handbook' or from the TSV Transport Safety Victoria.

- DISCLAIMER:**
- a) This document MUST NOT be used as; vessel pre-purchase appraisal, hull and/or mechanical survey inspection. This report does not validate; Owners competency whilst at sea or on land. The Vessel seaworthiness and/or Trailer Roadworthiness will require additional inspection and testing by a suitable qualified person.
 - b) The Owner agrees that this Safety Check is to be used as a guide only and agrees to rely on its own enquiries and on the skill and competence of the Provider in providing this service. The Boating Industry Association of Victoria Ltd (BIAV) a make no representations as to the competence of any of its members and takes no responsibility for any loss or damage that might be suffered by the Owner as a result of any services provided by any member of the BIAV, including the Safety Check.
 - c) The Owner agrees that the Owner bears all risks of the Vessel and/or Trailer at all times, including the risk of Theft, Loss, Damage in relation to the Vessel and/or trailer:
 - i> being transported to and from the Provider's premises
 - ii> at or on the premises of the Provider
 - iii> being slipped, on a slip or being launched from a slip, or during testing.
 - d) The Owner must release and indemnify the Provider against all claims, actions, liabilities and costs in respect of any loss or damage to any property of the Owner, or injury suffered by the Owner, its agent, servant or invitees, brought against the Provider, except insofar as such loss or damage is caused by or contributed to by the Provider's negligence.

I authorise work to be conducted during this inspection including work which may require removal of vessel components, and agree to pay the service provider \$

upon completion of this report. Signed Dated
