## Target Market Determinations (TMDs)

From 5 October 2021, AIG Australia Limited (AIG) is required to have Target Market Determinations for its retail client insurance products in accordance with the *Treasury Laws Amendment (Design and Distribution Obligations and Product Intervention Powers) Act 2019*.

### What is a TMD?

A TMD is a document created by AIG which seeks to offer customers, distributors and staff with an understanding of the class of customers for which the product has been designed and sets out:

- who is in the target market and who the product is not designed for;
- any distribution conditions and restrictions for the product;
- review periods and events that may trigger a review of the TMD; and
- reporting obligations for AIG's distributors.

The TMD is not intended and should not be treated as a full summary of the product's terms and conditions and is not intended to provide financial advice. Customers must refer to the Product Disclosure Statement (PDS) and any supplementary disclosure documents for the terms and conditions of the product when making a decision to acquire the product.

TMD's for all AIG retail products are available on AIG's website at [www.aig.com.au/tmd](http://www.aig.com.au/tmd).

In Australia, insurance products are issued by AIG Australia Limited ABN 93 004 727 753, AFSL 381686. Products or services may not be available in all countries, and coverage is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain property-casualty coverages may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds, and insureds are therefore not protected by such funds.
